Visual Identity Guidelines

Feb 2021

This project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement 862993.
Main logo - full colour
Safe area + small versions

**Safe area**

Keep all other graphic elements, other logos or margins at a minimum distance as defined by the “Safe area” line.

**Small and tiny logos**

Use the main logo until a minimum width of 20mm. Under that width please use the “Tiny” text-only version.
Logo versions

Monochrome + positive and negative small versions
Lanscapes reflect the relationship between human society and the natural environment. Agromix proposes to transform the economic, the environmental, the political, the social and technological landscapes.

Graphic Elements

The base graphic element is the triangle and a slanted rectangle.

These elements come together to liven up a layout. The rule of thumb is to keep in mind sobriety and elegance.

Usually a combination of 4 colours per page is sufficient.
EU Disclaimer

All EU funded projects’ communication must display the respective disclaimer. This disclaimer can be found in a folder next to the project logos and other visual identity elements.

NOTE: In addition to the EU disclaimer, all the external project documents should include the following statement:

The opinions expressed in this document reflect only the author’s view and in no way reflect the European Commission’s opinions. The European Commission is not responsible for any use that may be made of the information it contains.
Photography

The Agromix project has its own photo gallery for any communication purpose. More photos will be added to this archive during the project. General photos, photos from the pilot projects and event photos. The project also has a Flickr account (link).
Social Media

The banners and images for social media channels are stored within the project’s shared folder.
